

The 2009 Northwest Pacific Regional Figure Skating Championships

**October 14-18, 2008
Jackson, WY**

The Jackson Hole Figure Skating Club (JHFSC) has been selected by US Figure Skating as the host club for the 2009 Northwest Pacific Regional Figure Skating Championships. The championships will be held at the Snow King Center Ice Arena on October 14-18, 2008. These championships are the qualifying competition for skaters advancing to Junior National Championships at the Juvenile and Intermediate level and the first round for skaters to qualify for the National Championships at the Novice, Junior, and Senior level (Senior level being the events most often televised). In addition we will be running competitions for the non-qualifying levels, the future champions in figure skating.

This is a great opportunity to showcase not only the talent of our local skaters but also the hospitality and generosity of our community. We anticipate drawing 250 competitors, in addition to their family members, from Alaska, Washington, Oregon, Idaho, Montana, and Wyoming. These competitors will be staying in our hotels, eating in our restaurants, and shopping in our stores for the weeks surrounding the competition dates. It is expected that over 1,000 visitors will be in attendance. This represents over \$400,000 in visitor expenditures during an off-peak tourist season.

In order for the JHFSC to make these championships successful, we need community support and involvement. We are seeking sponsors to help defray the operating costs of hosting this event. The JHFSC educates and motivates skaters of every level and discipline (freestyle, dance, synchronized, adults, pairs, and basic skills) to reach their fullest potential as athletes and community members. Over the years we have helped many young skaters attain their goals: skating in professional ice shows, advancing to compete and medal in National skating competitions, becoming professional skating coaches, skating on synchronized skating teams at the collegiate level, and enjoying figure skating as a sport into their adult lives. The JHFSC is a 501(c)(3) non-profit organization, so all or part of your sponsorship may be tax deductible.

We are seeking community support in five monetary sponsorship options, donations, and/or advertising in the event program. The attached forms explain each of these options:

1. Diamond, Platinum, Gold, Silver, Bronze monetary sponsorship
2. Donations of raffle items to be raffled off during the competition
3. Donations of promotional items for competitors "Goodie Bags"
4. Advertising in our souvenir program

Your sponsorship will help assure the financial success of this event and will also help to promote community recognition and support for the sport of figure skating.

As a sponsor you will receive acknowledgement in our souvenir program and on our website. Other sponsorship benefits are available, based on the amount of your donation. We greatly appreciate your support and hope you will enjoy the Regional Figure Skating Championships when they come to Jackson Hole!

All sponsorships are due by September 1, 2008.

Please feel free to contact either of us at the numbers/email below if you have any questions and/or check out our website at www.jhfsc.org.

Sincerely,

Gary Merrell
